Education

MIT Academy of Engineering, Pune

BTech, Computer Engineering

CGPA - **9.01**

2021 – 2025

Pune, Maharashtra

DP Mehta Junior College, Lonavala

Higher Secondary Education

Grade - **84.67**

2021

Pune, Maharashtra

Experience

E-Cell, MITAOE

Frontend Developer

April 2023 – Sept 2023

Pune, Maharashtra

- As a member of the technical team in the Entrepreneurship Cell (E-Cell) of the Maharashtra Institute of Technology Academy of Engineering (MITAOE), I am responsible for handling various technical aspects of the organization.
- I have a strong focus on sharpening your Web Development skills, which includes design and front-end.
- As a technical team member, I am actively contributing to the development of various projects and initiatives taken up by the E-Cell.

• **Figma** | **Wix** | **HTML** | **CSS** | **Bootstrap**

Projects

petCare - Web Application | *Node.js, Express.js, Bootstrap, MongoDB, React*

Dec 2023

- Developed a seamless appointment booking system, streamlining user interactions and improving user experience.
- Integrated the "Simba" chatbot using OpenAI API, enhancing user engagement and providing interactive assistance.
- Implemented a MongoDB contact form feature for efficient storage and retrieval of user inquiries.
- **Deploy-Link:** petcare-mohitjaiswal.netlify.app

UI-UX Pages | *HTML, Tailwind.css*

Aug 2023

- Developed a Facebook Login Clone and Instagram Stories Clone.
- Successfully creating clones of complex features from two well-known platforms indicates a deep understanding of *Tailwind CSS*.
